## Black Friday Club Ride

Well the weather really didn't hold out too well for us for the Halloween Ride and that's a same because we had a nice group show up. We had a total of 7 jeeps and a red pickup truck. So we would like to see that many for the next ride on November 27<sup>th</sup> for the Black Friday Ride. So forget about those early bird specials and the stampeding crowds, come and join us in the mud for a fun and I'm sure memorable day of wheeling.

## **HOF 4x4 Annual Club Christmas Party**

This year the club Christmas party will be held at Grand Slam USA in Belden (same place as last year) on December 12<sup>th</sup>. It will be held from 3pm-6pm. The club will provide ham as the meat and each member attending can bring a side or desert to share with everyone. We will be able to play all of the games that are provided such as basketball, batting cages, dodge ball, and video games. Then from 5pm-6pm the adults, 16 and older, if they would like to will participate in a White Elephant Gift Exchange while everyone eats dinner. The requirements for the gift exchange are a \$20 limit per person and more than one person can participate per family. There will also be special prizes and gifts for each child that attends the party. So come show off your moves on the dodge ball court, your slamming moves on the basket ball court, and have some great laughs with FAMILY.

### **Bowling Anyone?**

Don't forget about the bowling event at Colonial lanes, Michelle was so kind to put this together for us. It is from 1:30-4:30pm and it only cost \$7 per person and that includes your shoes. So let's get out there and have a ball with friends and a few laughs too.

Bill Wanger – President  
Mike Bryce – Vice President  
John Tanner – Treasurer

Tim Kelbfell – Administrative Secretary  
Tina Russell – Recording Secretary

## **HOF 4x4 Annual Fall Blood Drive**

First off a huge special thanks to all of you that showed up and gave blood or even tried to give blood. It is members like you that are good examples of our club for the eye of the community. It was a good day besides the rain here and there but you never know when you or a family member may need blood, you just might save a friend or make a new one.

### **HOF 4x4 By-Law Changes**

As mentioned at the October meeting the By-law committee met in October and made some changes new copies will be passed out at the November meeting. The most important change among them was that the Officer Elections and Nominations will both be held at the January meeting. The club will make nominations first and then vote our new officers in and they will start at the end of the meeting. Also dues must be paid at the January meeting if they wish to run for office.

### **Warn Raffle Tickets**

Time is running out to get your tickets for the Warn 9000 winch. They are \$5.00 a piece and there was only 350 tickets printed so don't miss out on the deal of the year. It would be a great Christmas morning to open the door and see this sitting on your doorstep. So see Russ (Ironman), or Sally for tickets.
